The flagship course at Emirates Golf Club, The Majlis championship course is a challenging par -7,301 ,72yard layout. Designed by Florida-based course architect Karl Litten, the original 18 holes were built in and around the dunes of a beautiful site on the edge of the city of Dubai, donated by His Highness General Sheikh Mohammed bin Rashid Al Maktoum, on whose instructions the desert flora was maintained in its natural state.

Dubai City Tour (afternoon)

Dubai is an exciting combination of metropolitan bustle of the city and traditional life in the bazaars. During the afternoon we visit Dubai Museum to explore the past of the city. The life in Bur Dubai bazaar has remained unchanged for a century and from here we take an abra-water taxi ride across the Dubai Creek to the traditional Spice Souk as well as the glittering Gold Souk. We then continue pass the Burj Al Arab hotel and admire the Venetian canals of Madinat Jumeirah as well as the world famous Palm Island, which gives an idea of the massive development of Dubai in recent years. Towards the sunset we arrive at the world's tallest building, Burj Khalifa, where we watch the largest Fountain Show in the world. After the show we return back to the hotel or alternatively those willing to continue the evening, can opt to stay at Dubai Mall, the largest shopping mall in the world with over 1,000 shops and over 100 restaurants and cafes.

Day 02: Golf @ Dubai Creek Golf & Yacht Club (morning)

Dominating Dubai's enchanting waterfront, the Dubai Creek Golf & Yacht Club overlooks the Creek and Marina. Dubai Creek Golf & Yacht Club opened in January 1993 to world acclaim and since then it has been host to numerous tournaments and events, including the Dubai Desert Classic on two occasions. The course record of 63 is jointly held by Lee Westwood and Darren Clarke.

A round of golf at the sporting oasis in the heart of the city has a distinct aura of a delightful journey across the fabled landscape of Dubai, a city that thrives in all seasons. Well-groomed fairways lined with date palms and coconut trees, attractive water hazards and shrubbery lends a tropical air to the Club's -18hole, par71-championship course that rolls into thousands of undulating yards.

The majestic Clubhouse - its design mirroring the sails of the traditional Arab dhow - has been one of the most photographed landmarks since it opened in 1993, capturing the essence of Dubai's seafaring traditions and presenting the perfect fusion of heritage with modernity and style.

Day 03: Golf @ Jumeirah Golf Estate Earth course (morning)
